*2Ki 10:16 And he said, "Come with me, and see my zeal for the LORD." So he had him ride in his chariot.*

I see so many believers that live their lives as believers, not living in the power of God but the burden of law. People has gone so far as to say.... If we could just have been as disciplined as Muslims etc. I denounce that! I don't want to be anything like them. They serve their God out of the law of their books. I don't serve my God through the law. They, and many other religious people, all over the world seem extremely religious because of the law they follow and the fear they have for Hell, damnation, discipline and many other things alike. Zeal, is the driving force of a believer. A power, that drives us to excel. I pray that you will excel in your life as a believer. Come on, let me show you how to live a life that flows over, of power, and not religion.
