

Blueprint turmoil

WoR May – Session 3

After spending time with a lot of people concerning the basic foundation of their faith I have realized that it is a simple matter of misunderstanding the truth or in fact not knowing the truth. Most fruit that is dead is produced because of these basic fundamental truths that are not in line. Some truths make no significant difference, but there are some that can cause turmoil. I believe in this session we will capture the top 10 truths that will cause turmoil if they are not in place.

The session is designed for the purpose of identifying these truths. Most lies in your life could be caused by not having these basic truths in your life. This will enable discussion and ideas of ministry towards your own disciples.

1. Supernatural

1. The spiritual realm is the foundation of all existence

1. Everything in the supernatural is universal
